

FlexRite™ Grease-Proof Anti-Fatigue Drainage Mat

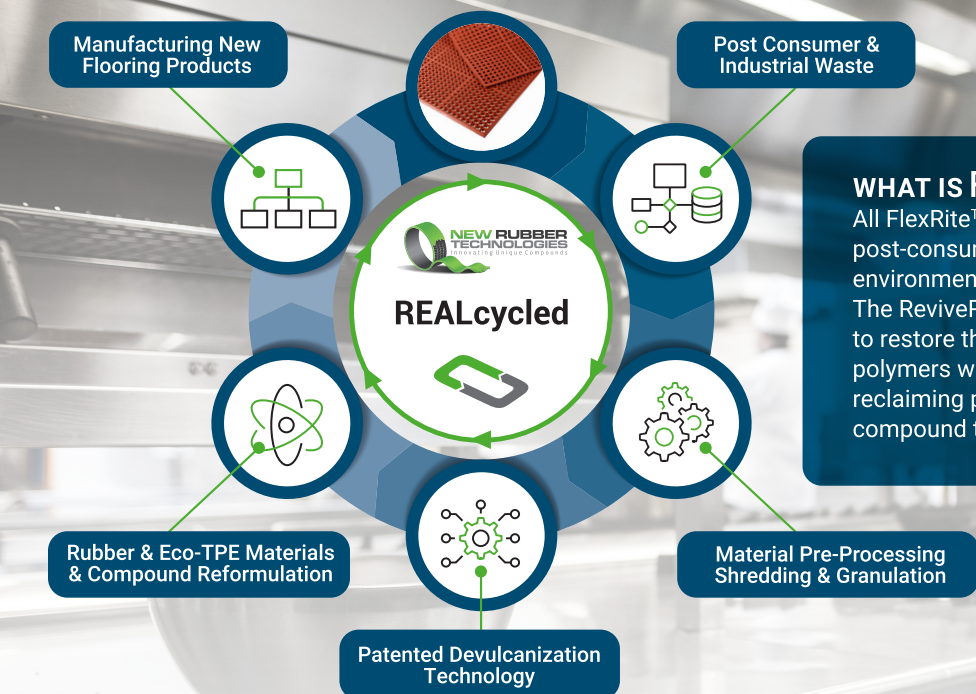

Heavy-duty, non-slip drainage mats for
busy commercial kitchens –
made from 100% recycled materials.

- **ANTIMICROBIAL** | FlexRite™ Terracotta mats are made with rubber compounds that pass the ASTM G21-96 tests for resistance to microorganisms without antimicrobial additives.
- **GREASE & OIL PROOF** | Designed to withstand heavy exposure to cooking and fish oils, animal fats and grease.
- **HEAVY-DUTY** | For the toughest kitchen environments. Protects floors and employees alike.
- **NON-SLIP** | Engineered to be slip-resistant with high coefficient of friction. NFSl certified.
- **COMFORTABLE** | Provides superior antifatigue and ergonomic support, even when standing for long periods.
- **SUSTAINABLE** | ReviveRite™ high quality 100% recycled nitrile rubber equivalent chemistry
- **EASY TO CLEAN** | Simply clean with a mop and bucket or a soft bristle brush. Dishwasher safe.
- **FLEXIBLE DESIGN**
FlexRite™ AD1 and AD2 drainage mats are heavy duty, durable and affordable. Made from ReviveRite™ compound, our mats are designed to withstand the toughest commercial kitchen environments while providing superior comfort when standing for long periods. Make larger areas more manageable using our convenient Mat-to-Mat Connectors. Easily connect multiple mats together and simply disconnect them when they need moved or cleaned.

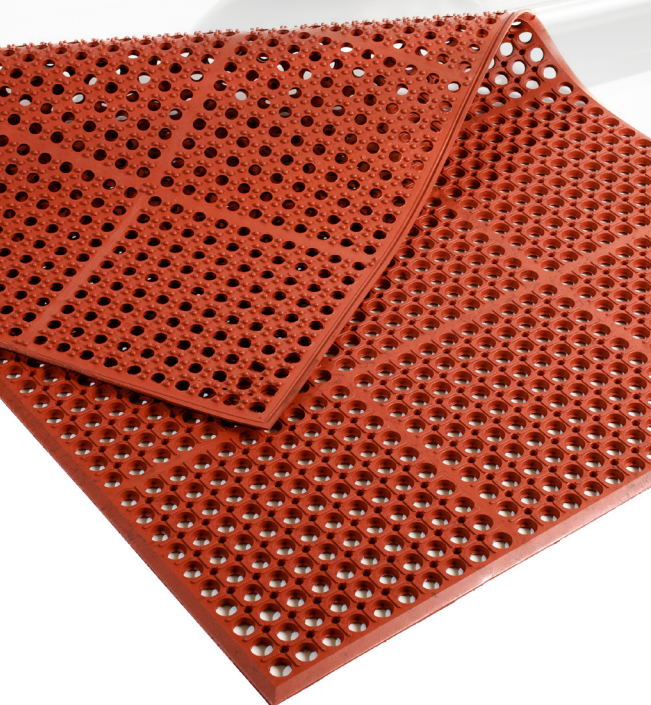

FlexRite™ Grease-Proof Anti-Fatigue Drainage Mat

WHAT IS REVIVERITE Inside?™

All FlexRite™ Flooring products are molded using 100% post-consumer and post-industrial polymers recycled in an environmentally friendly way in our vertically integrated facilities. The ReviveRite™ process uses food and medicine grade additives to restore the original technical capabilities of various post-use polymers without the harmful side effects of foreign rubber reclaiming process. In most cases we produce a higher quality compound than products made from virgin polymers.

ANTIFATIGUE DRAINAGE MATS - STANDARD

Part Number	Size*	Thickness	Color	Edge	Weight
AD2.78x24x36.SE.BK	2'x 3'	7/8"	Black	Straight	16 lbs.
AD2.78x36x36.SE.BK	3'x 3'	7/8"	Black	Straight	23 lbs.
AD1.58x36x60.BE.BK	3'x 5'	5/8"	Black	Beveled	21 lbs.
AD2.78x36x60.SE.BK	3'x 5'	7/8"	Black	Straight	38 lbs.

ANTIFATIGUE DRAINAGE MATS - ANTIMICROBIAL

Part Number	Size*	Thickness	Color	Edge	Weight
AD2.78x24x36.SE.TC	2'x 3'	7/8"	Terracotta	Straight	16 lbs.
AD2.78x36x36.SE.TC	3'x 3'	7/8"	Terracotta	Straight	23 lbs.
AD1.58x36x60.BE.TC	3'x 5'	5/8"	Terracotta	Beveled	21 lbs.
AD2.78x36x60.SE.BK	3'x 5'	7/8"	Terracotta	Straight	38 lbs.

MAT-TO-MAT CONNECTORS - EASILY CONNECTS MULTIPLE STRAIGHT EDGED 7/8" MATS

Part Number	Size*	Thickness	Color	Case Qty	Weight
AD2.78x4x4.CT.BK	4"x4"	7/8"	Black	10	5 lbs.
AD2.78x4x4.CT.TC	4"x4"	7/8"	Terracotta	10	5 lbs.
